

Freediver[®]

Freediver customer

BOBBY SCHENK www.bobbyschenk.de
"Freediver is a yacht accessory, which I don't ever want to be without again. It should be part of every yacht's standard equipment."
Bobby Schenk >
renowned German circumnavigator, book author, sailing legend and satisfied Freediver customer.

"The Freediver apparatus keeps everything the manufacturer promises. Small, robust, perfect clean processing, as well as a good stable housing. The device meets the manufacturer's technical data."

Konrad Gatzka > professional scuba diver, test diver

"Freediver is a very important yacht accessory."

SEENOMADEN Doris & Wolfgang

> renowned Austrian circumnavigator, and also satisfied Freediver customer

"This thing should be part of the equipment on every yacht, just like a dingy or a GPS... This Invention is brilliant!" **Rafael Stucke** > skipper

An absolute MUST HAVE for all yacht owners and skippers and on top it's fun for EVERYBODY." **Portbook** > Mallorca, Ibiza - Spain

"After a few minutes deepsnorkelling I could hardly get my guests out of the water. That Freediver also represents a considerable safety potential, I can confirm from my own experience." **M. Hüttenberger** > private skipper

Freediver[®]

Deepsnorkel-Equipment ...

You will be able to instantly carry out repairs and inspections on underwater vessels without any concerns.

- ... Loose rope ends/ fishing nets in the propeller
- ... Beaching - inspecting the hull
- ... Problems with the rudder
- ... Cleaning the boat hull
- ... Stuck anchor

A valuable aid at sea > 12V Deepsnorkel-Equipment

For those who restrict the use of equipment solely for work on the underwater vessel, the „BOAT deeksnorkel“ assembly set will also be sufficient.

Freediver[®]

... for EVERYBODY

The Freediver-Deepsnorkel-Equipment means deep-snorkeling can be enjoyed by the whole family.

Thanks to an additional breathing system, two people can deepsnorkel at the same time.

Children can also experience the fascinating underwater world.

Enjoy the fascinating underwater world.

The fascinating world of coral and fish is revealed to you just a few metres below the sea surface. You can instantly explore the great versatility of the underwater world.

Take advantage of the versatility of the Freediver-Deepsnorkel-Equipment!
